Subject: Delay in Delivery – BYD Battery-Box Premium HVM

Dear Mr [REDACTED]

We would like to inform you that the delivery of the BYD Battery-Box Premium HVM units scheduled for your current order has unfortunately been delayed.

This delay is due to extended production lead times and ongoing supply chain disruptions, which are currently affecting global component availability and logistics. We are working closely with our manufacturing and logistics partners to minimize the delay and ensure your order is fulfilled as quickly as possible.

The revised estimated delivery window is now expected for calendar week 16 / 2025

We will keep you informed should there be any further updates.
We sincerely apologize for the inconvenience caused and appreciate your understanding and continued support.

Please feel free to reach out to us should you require further assistance.

Kind regards,
